Invitation to the SBCN 2020 symposium

On behalf of the **SBCN & FFBiotech**, we have the great pleasure to invite you to participate to the 15th edition of SBCN (International Symposium on BioChromatography and Nanoseparations) from 11st to 14th 2020. The meeting will be held in Nancy, at the ENSIC engineering school.

During four days the participants will gather around innovative approaches about Biochromatography, from nanoseparations for characterization to preparative industrial scale.

- Downstream processing and biochromatography
- Purification of proteins, other biomolecules and macromolecules
- Biomolecules characterization
- Tools and methodology for biology and “omics”
- Health, biomedical, food analysis
- Biopharm - pharm & environmental analysis

SBCN 2020 provides a unique communication and discussion platform for scientists working in the field of Bioseparations. This is a great opportunity for your company to build or reinforce your exposure to leading scientists.

You will appreciate the possibility to participate actively at your convenience through additional actions that will make you even more present in the congress.

If you could not attend this meeting, your company may also enclose advertisement into participants' bags. Details of this symposium will be soon available on the website: www.sbcn2020.com.

You will find a booking form herewith.

We thank you again for your time and hope to hear from you soon.
Sincerely,

The Organizing Committee of SBCN 2020
