Invitation to the SBCN 2021 Virtual symposium

On behalf of the **SBCN & FFBiotech**, we have the great pleasure to invite you to participate to the 15th edition of SBCN (International Symposium on BioChromatography and Nanoseparations) from 17 to 20, May 2021.

During four days the participants will gather around innovative approaches about Biochromatography, from nanoseparations for characterization to preparative industrial scale.

- Downstream processing and biochromatography
- Purification of proteins, other biomolecules and macromolecules
- Biomolecules characterization
- Tools and methodology for biology and “omics”
- Health, biomedical, food analysis
- Biopharm - pharm & environmental analysis

SBCN 2021 provides a unique communication and discussion platform for scientists working in the field of Bioseparations. This is a great opportunity for your company to build or reinforce your exposure to leading scientists.

You will find a booking form herewith.

We thank you again for your time and hope to hear from you soon.
Sincerely,

The Organizing Committee of SBCN 2021
